ZENDALS™ provides the premier line of luxurious spa products combining function, fashion, and feasibility to satisfy the needs of the top spa directors. The ZENDALS™ massaging sandals were designed by masters of reflexology and chi energetics to optimize the stimulation of pressure points in the feet with total comfort. The Ming robes were designed with a unique fabric of the most elegant softness, so comfortable and light you won't take them off. Perfect for retail, but designed to endure vigorous laundering and usage for operations.
